Subject: Re: Background Material: Ed Board and PFAS Community Engagement Event

Excellent. Also I'll look at final Talking Points over the weekend too.

Hi Alex-

Iâ€™ve attached the background material for next Monday and Tuesday.

The PDF document is the package that Meghan pulled together for you for the National Summit.

Iâ€™ve also attached an updated document on Coakley, Pease and Great Bay that I thought would be helpful for the Ed Board meeting.

There is also the list of hot sites and the ATSDR info.

Finally, Iâ€™ve pulled together clips from the Portsmouth Herald in the last month.

I will print this all up and bring give it to you Monday morning in a binder, but I thought you may want to look it over this weekend.

Thanks so much,

Emily
